Marrickville Children's Festival

The 2013 Marrickville Children's Festival

TERM 1 · WEEK 10 2013
I have often described our school as being like a family. There is a sense of belonging and respect that makes people want to stay together. This always makes it harder when it comes time for a member of the family to move on.

It is with some sadness that I announce it is time for Marrickville West to farewell Ms Julene Want, who leaves us at the end of Term to prepare for a major operation on her knee and then official retirement at the end of Term 2. Ms Want came to our school 4 years ago as Assistant Principal and a Year 1 teacher. During that time she has become a valued member of our staff team, a highly respected teacher and leader of early learning at our school and a good friend to many.

Ms Want has dedicated more than 40 years of her life to public education. A countless number of children at schools from Marrickville to Dubai, owe their foundation skills in reading, spelling, counting and listening to the expertise and dedicated practice of this exceptionally professional, competent and caring teacher.

I personally have greatly valued her honesty, integrity and enviable ability to meet every administrative deadline no matter how busy she may be!

Ms Want has high expectations of herself and the children in her class. She never gives up, never shies away from a challenge and never does less than her best. It is for this reason she will be remembered fondly by our school community. We wish her the very best of luck for her impending operation and then a joyful “bon voyage” as she embarks on her next great adventure.

Throughout this term Mr Lyndon Snelling and Ms Voren O’Brien have worked closely with Ms Want as collaborative teachers of 1W. Mr Snelling and Ms O’Brien will continue as class teachers of 1W which will ensure consistency for the children.

Ms Want’s enormous leadership and administrative role will be divided between several other members of staff until such time as another permanent Assistant Principal is appointed.

Ruth Bradfield-Ling
Principal
Each Friday afternoon KB, KM, KS and K/1G join together for a session of Structured Play Activity. This provides an opportunity for the children to engage in creative play, visit their friend’s classrooms and socialise with children across the whole of Kindergarten. The activities include dressing up, puzzles, building with blocks, quiet board and card games, play dough, reading and drawing.

Stage One couldn’t believe their luck when they returned from lunch to find their baskets full of eggs and bunnies. There were bunny footprints on the floor and wool by the window. Who had been visiting?

Ethics Class

For a few weeks we have been learning about Inuits. For example, what is important in Inuit life compared to what is important in our life. Ethics is all about what is right and wrong and good and bad choices. For example, if there was an ethics soccer team and there was a rule that you were not allowed to put down someone. If I played on this team with Mo and I put him down, do you think I should play in the next game? This is what we discussed.

By Scarlett 3/4 C

School sports report

School sports starts with stretches. We always have challenging stretches such as the Plough Pose where you have to lay on your back and stretch your legs over your head with your feet touching the floor. After our stretches we go out to play sports. Year 5 & 6 played cricket while Year 3 & 4 did game skills with the visiting teachers.

Mitchell

A few weeks ago we had a Sign Writing competition. The winner was Mia Ardianto with her message: There’s a crack in everything and that’s how the light gets in. Thank you to all participants.

By Abbey

On the way to the festival...
Keep Our Children Safe: Do not drive into or walk your children through staff carparks.

In Spanish we practised four songs for the Children’s festival,’ Mi Familia, El Don Gato, which we performed nicely on the day. We also played two Spanish games. The first game we played was Battle ships but instead of saying the numbers in English we had to say them in Spanish. The second game we played was a game when Mrs Maria would say a word in Spanish, either the first letter of the word or the last letter of the word and whomever touched the letter on the board first three times in a row would win.

On Monday all our captains and vice captains went to the Sydney Entertainment Centre for National Young Leader’s day. There were four speakers talking about how to be a leader. We had to write some notes about what the speaker was talking about. There was guest speakers such as Jess Fox, Nathan Hindmarsh and many more. We learned about how to be assertive and make good choices.

In modern times, spray paint and marking pens have become the most commonly used markings, patterns, scribbles or messages that are painted, written or carved on any wall or surface. What my house looked like in Nepal
My house was a three story house. My house is in the city of Narayangarh. This house looks exactly like mine but it is located Pokhara.

What Will I Wear Day
Our school’s What Will I Wear is on Thursday 11th April. Have you started creating your newspaper outfit for our fashion parade in the hall at 2:40pm? (Don’t forget, mums and dads, you can dress up as well.)

Enjoy your fashion statement on What Will I Wear Day!
by Anna and Mia

Koalas
Koalas are found in Queensland, NSW, Victoria and South Australia. Koalas get their name from an ancient aboriginal word meaning “no drink” because it receives over 90% of its hydration from eucalyptus leaves, also known as gum leaves. Koalas only drink when they are sick or there is not enough moisture in the leaves. Koalas usually live in a tree and eat leaves. Of the 40-50 types of leaves they eat, they prefer only 10. They prefer to live between 6 and 11 kilos. An adult male koala can weigh between 8 and 14 kilos. An adult female koala can weigh between 6 and 11 kilos. Koalas have strong claws, which protect them from high and low temperatures. They also protect from rain and cold. Koalas are very strong and can climb trees up to 40m high.

Koalas sleep so much because eucalypt leaves are very tough and use a lot of energy to digest. Sleeping saves energy. Eucalyptus leaves are poisonous to almost every other animal.
Before School – Fuel Up!

Up & Go ........................................ $2.00
200ml 100% Juice (box) ................. $1.20

Foods coloured GREEN are approved by The Healthy Kids Association for eating everyday. The other foods are recommended as occasional foods.
Hi everybody, we are the playground buddies. We just want to tell you if you’re in trouble or in a situation just look for a person with a blue vest. Thank you Scarlett, Olive, Nathaniel and Wil for being the new buddies on Wednesday and Friday when Stage 3 went on a trip.

by Melissa and Putu

Marrickville West’s Children’s Festival Survey

Remember the Children Festival on the 23rd of March. Wasn’t it fantastic with all the new stalls, games, performances and characters? I thought it was amazing. We have surveyed some children about what they liked or didn’t like at the Children’s Festival.

Comments:
I liked taking a picture with Mickey and Minnie Mouse.
I liked the big bubble on the water ride.
I loved the Crazy Hair Stall.
I didn’t like the ice cream flavors.
I liked the Science Stalls.
I liked the laughing game.
I like the Chinese dragon.
I didn’t like the singing in Henson playground.
I liked the choir and the dancing performances.
There were no spring rolls.

It’s amazing what the children who were interviewed liked and didn’t like about the Children’s Festival. They had really different opinions from each others. We do have to admit that we loved the whole Children’s Festival and would love to have it again next year, even better.

by Maisha and Sandra

Stage 3 excursion to the NSW Art Gallery

Last week Stage 3 went on an excursion to the NSW Art Gallery. There were some amazing paintings. We saw most of the paintings we learnt about in school including artworks by Margaret Preston, Russell Drysdale and Sidney Nolan.

by Maisha, Mitchell and Louay

Stage 3 is learning to identify anger and what the effects of anger are. We also learnt three words that describe how you feel after losing your temper. The three words are: embarrassment, regretful and stupid.

Maths
Stage 3 has learnt how to make factor trees. Factor trees are like Christmas trees. They start with a number at the top (just like a star) and branch out below with the factors.

by Maharshi and Quan

Water Report

Why is Water important?
According to the Sydney Water Website, the most important thing about water is that all living things need it to survive. For example, humans can’t survive more than a week without fresh water but they can survive about a month without food.

by Maisha and Sandra

Marrickville West Primary School Newsletter
**P&C UPDATE**

**Marrickville Children’s Festival**
A HUGE thank you to all the families who volunteered for the P&C at the Marrickville Children’s Festival on 23 March. The P&C ran four stalls...a garden tea, crazy hair and tattoos, rides and the canteen. The counting is in and we made roughly $3500 after expenses. None of this would have been possible without the support from MWPS families both on the day and in the preparation leading up to the event. Thank you also to the families that generously supplied cakes and treats to the garden tea – many hands made light work! All the money raised will be reinvested back into the school to support our children.

**Last P&C Meeting**
At our last P&C meeting we reviewed all the submissions for the P&C funds. Many fantastic ideas were put forward to engage and educate our children.

**Next P&C Meeting**
The next P&C Meeting will be held on Thursday 16 May at 7.00pm in the Staff Room. We will be conducting a formal vote on the funds allocation for 2013.

**Cafe West**
As our school grows so does the demand for coffee! This is a fantastic way for us to raise funds for our children, however, we still require a couple more volunteers to support our morning coffee service from 9.30am to 11.00am. If you can help out, please contact Melanie Stopic through the school office or at Cafe West in the mornings.

Thanks to all the CRAY-ZEE volunteers who made Crazy Hair for our Crazy Kids!

**Mother’s Day Stall**
Each year the P&C runs the MWPS Mother’s Day Stall. This is a very sweet way for children to buy their mum’s, nana’s or carers a small inexpensive gift. All volunteers are welcome and very much appreciated. If you are able to spare some time, Maria Lombardo is the Team Leader and can be contacted through the school office.

**2nd Hand uniforms**
There will be a second hand uniform stall on Wednesday 10th April at 9:00am outside the School Hall. All donations of clothes before that date are happily accepted by the office or find Melanie Stopic in the playground. There will be a small range of jumper, shorts and shoes for bargain prices available. Get in early to get the best choice.

**Cake & Tea at the MCF**
Thanks to Kate O’Grady and her crack team of tea-people for managing this huge effort on the day. Brewed tea in teapots, how very posh!

**Make your own Moon Dough**
Its simply baby oil and flour. Roughly 1/2 cup of oil to 2 cups of flour. You’ll feel when its right!

**The Water Wall at the MCF**
Originally the P&C thought of the idea of making a water wall for kids to have fun with at the Children’s Festival. With many projects to run on the day we outsourced this project to the Marrickville Men’s Shed at The Bower (www.bower.org.au/services.html). The guys at the Mens Shed ran with the idea better than we ever could and made a wonderful installation that threaded water into funnels, along pipes, through bamboo, around bike wheels and into bathtubs and buckets. The end result was a huge hit with young and old alike. Thanks to the Mens Shed!

**...added on to the Crazy Hair stall were some delicious bunches of herbs, 2nd hand books and fundraising for an orphanage in Bali. Thanks Coulters!**

**NEXT P&C MEETING: 7pm Thursday 16 May 2013**

April Holiday Creative Writing Courses at Sydney Olympic Park

Turn your imagination up to HIGH this school holidays as you invent worlds, create strange new creatures and mesmerise friends and family with the power of your words! Choose from EIGHT exciting and engaging creative writing courses for 5 to 15 year-olds. Learn new techniques and new ways of thinking about writing. We aim to inspire.

The Writing Workshop helps young writers build confidence, take pride in work, develop creativity, improve literacy, increase general braininess and have a lot of fun.

All courses conducted by award-winning authors.

April holidays creative writing courses

- **Fabulous Beasts** full-day fantasy writing course (8-13 years).
- **Write Your Own Book** for 8-13 year olds. All the skills you need to plan and write your own extended work. (Full day.)
- **Nearly True Story of My Life** (8-13 years): stretch the truth but don't quite break it! (Full day.)
- **Story-Making Fun** for 5-8 year-olds. Three hours of written and oral stories, new skills and great fun.
- **Kids in the Park Special** Three days, 2 hours each day, 6-9 year old and 8-12 year-old groups. Fun and educational, with six different creative writing exercises in the course.
- **Tales of the Bizarre and Supernatural** A full day of atmosphere, tension and truly frightening pay-offs (10-15 years).
- **Half-day Nature and Culture Poetry** imagery, form, rhythm, techniques to put two worlds onto your page (9-14 year olds).

Our courses suit most children, including writing enthusiasts, G&T writers seeking extension, and the more reluctant ones.

**Contact us** for course details, dates, prices and booking forms: visit www.writingworkshop.com.au, telephone 0468 543 933 or email writingw@writingworkshop.com.au.

**Library Monitor report**

Hello readers,

Your library monitors are a little upset this week because of pack up time. On Monday and Thursday people were OK in the library but on Tuesday and Wednesday people are a little chaotic. Please remember that when the bell rings at ten past twelve people are to pack up their things and wait at the doors until the monitors decide it’s all clean and everything is packed up.

People are not meant to leave the building until library monitors say so or unless the teacher lets you. Please remember to pack up and wait at the doors.

**Maths report**

Hi Marrickville West,

Welcome to another week of maths problems. Here is one for you to solve:

Seven players are entered in a round robin squash tournament in which each player has one match against each of the other players. How many matches are needed to complete the tournament?

I’ll tell you the answer in the next newsletter.

By Rafid
