Nielsen Park School Picnic
Dear staff, students, families and friends of Marrickville West

This is just a quick note to say thank you so much from the Norman family, for all of your love and support during 2013. Jack is still in Intensive Care but is gradually doing better each day... two steps forward and one step back. He and his Dad have been enjoying building the wonderful Star Wars Lego Starfighter which you kindly bought him. We only have a few hundred parts to go! We are all truly grateful for the beautiful cards, flowers, and messages of support, plus hospital visits from his best friend Theo and his wonderful teacher Mrs Barnett. They have meant more than we can really say.

Mark your calendar!

Stage 3 Fun Day
Tuesday 17th December

Last Day of School
Yr 6 Farewell Assembly
Wednesday 18th December

Term 1 2014 begins
Wednesday 29th January 2014

Swimming Carnival (8yrs+)
Monday 3rd February 2014

Kindy Start School
Wednesday 5th February 2014

From the Acting Principal’s desk...

As adults, we often look back and remember people in our lives who encouraged us when we were falling behind; taught us to respect ourselves and others; and challenged us to reach our potential with their high expectations. That’s what Marrickville West Public School is all about.

We come to the end of 2013. The books are away and it’s time to celebrate. Over the final days of the school year we have enjoyed Presentation Day, the school picnic, talent quest and the Year 6 farewell. As we get ready to enjoy the summer holidays and look forward to a new year in a new class and perhaps at a new school I take the opportunity to thank all the people that make our school such a fabulous learning community.

To the teachers and staff, I say thank you for your dedication and hard work. It is a credit to such a committed and collaborative team that we come to the end of the year able to say that our kids have succeeded in many, many areas, both academically and socially. You are caring professionals who expect the best from every child.

To the many parents, I say thank you for giving so generously of your time and talents. I see your support each day in those who tirelessly volunteer, plan, and teach encourage and support their children in their learning. It is through the generosity and enormous energy of our parent community that we are able to stage our signature events including the Multicultural Munch and our biennial performance, this year, A Night at the Museum.

I thank also the contribution of our P&C. Under the leadership of outgoing president, Rachel Otaaway, it continues to make a significant contribution to our school. I thank Rachel for her dedication and wish her all the best in the future. I congratulate the incoming president, Thomasin Litchfield. I look forward to working with and your team next year.

I thank our wonderful children. Every day there is always a steady stream of children who have something to show. From that interesting and entertaining story to that math sum that demonstrates your hard work and understanding. From that beautiful and creative art work to outstanding science project. For all your achievements and commitment, I am very proud of your all.

Schools are also a place of change. We say farewell to our fabulous Year 6 class and welcome our new Kindergarten for 2014. I extend a very warm welcome to Miss Joanne Mulligan, our new Assistant Principal. I also say a very fond goodbye to the following teachers:

– Mrs Truong who is retiring after a long career teaching Vietnamese.
– Mrs Jenny McLachlan, one of our fabulous music specialists who takes up a permanent position at Kegworth Public School. We thank her for her hard work in up skilling our students in music.
– Mr Damien Moran, who commences as principal at Ashfield Public.
– Mrs Debbie Messinis, who will retire at the end of this year, but is returning next year in the Reading Recovery role. As one of the longest serving members of our staff, she will be missed. Kindergarten will never be the same.

2013 has been a very successful year. To one and all I wish you all the best for a safe and happy holiday.

Cathy Criniti
Acting Principal

From the Office:

To all our Marrickville West Families have a safe and relaxing break.

If you need any uniforms for 2014 we have plenty of stock.

We will be happy to open the uniform shop on Monday and Tuesday all day next week or we will be here on the Tuesday the 28 January 2014.

All the best wishes for the New Year and thank you for all your support during 2013.
Achievements for 2013

Schools are very busy places. Here at Marrickville West Primary School we are committed and extremely focused on delivering a quality curriculum, with demonstrated progress and achievement for every child in numeracy, literacy, creative arts, sport and other key learning areas.

Along the way there are many, many opportunities that come our way for activities that make our school an exciting and interesting learning community. Most of these activities are in addition to core roles and responsibilities and only possible because staff at Marrickville West Primary School are willing to go that extra mile for the sake of their students and community.

- A night at the museum

In 2013, learning initiatives that have enriched student learning include:

On Wednesday we attended the presentation day at Dulwich Hill Visual Arts High School and were astounded that just about every student who didn’t attend Marrickville West were awarded for achieving first place or runner up in each subject class. These young people included: Itu, Luba, Chloe, Alannah, Dimitri, Grace, Lawson, Ryan and Nuk.

We’re so incredibly proud of Grace as she was awarded 1st place for Maths, Geography, Visual Arts & Japanese, and runner up for PDHPE and History. We’re just as proud of Lawson for achieving 1st place in Technology and Design and need to note this is the second year in a row Lawson has been awarded for outstanding achievement. It has to be said that these wonderful achievements are testament to the outstanding team of staff at Marrickville West. We will be eternally grateful that our children were given the opportunity to achieve to the best of their ability and develop into confident and well-rounded young people. Ultimately Marrickville West has given our children the gift of positive self-esteem and resilience which I know will serve them well throughout their lives. Thank you Marrickville West!!

Kind regards,

Kim Martin
Lawson and Grace’s mum

“I just wanted to let you know how well the girls are doing at high school. We received their school report today and they have achieved A in English, history, visual arts and science with B for all the other subjects. The girls are doing fantastic. Thanking you for doing such a fine job in preparing them for high school !”

Michelle Cabrita
Amy and Alicia’s mum
Presentation Day 2013

West Factor

Talent Quest 2013
WAKA Who? ............... 

Wakakirri is an amazing event for schools across Australia to tell a story in dance, singing, artworks or writing. In Term 2, the creative classes of Stage 3 helped write, play and film an original song called CELEBRATE. Tabetha also sang and filmed her own composition, SIMPLE GIFTS, for the Story Singing Section.

Imagine our surprise and excitement several months later for MWPS to receive a fantastic First Prize Award for Tabetha’s song and Participation Certificates for everyone in Years 5 and 6. A prize box of books also arrived for our Library. The judges include ‘big name’ musicians and gave our song some excellent feedback: “Great effort in commencing your Wakakirri journey. The whispering start was quite catchy. A nice blend of instrumental sections with the group vocals. Keep up the great work. We hope you continue to create great stories.”

SRC report

2013 has been a busy and successful year for the SRC. Class members have participated in various activities, promoting student leadership, school improvement and student welfare. Students ran fundraisers such as the cake stall, the popcorn stall, ice-cream day, fabulous hair day, mufti days and end of term discos.

Students experienced leadership opportunities giving SRC reports and the collection of class house points. They led class PowerPoint presentations for the selection of prizes in the Woolworths Earn & Learn program, and a class vote on the spending of fundraising money for the school. $500 of Lego was chosen by students for the library.

The SRC ran the annual Bring n Buy Sale and the Handball Championships. They organised class votes on the questions to the Socceroos when they visited in term 2. They ran an anti-littering program called Bin it to Win it and organised a variety of outdoor games for the Marrickville Children’s Festival.
Merry Christmas from KB!

KS are ready for their summer holidays with their ice creams that have been painted in shades of colour.

Stage 1 Bike Safety Day

Tuesday the 3rd of December Stage 1 participated in a special incursion focusing on Bike Safety. The day had a variety of activities to keep the children engaged.

Beginning with a visit from Constable Kelly from Marrickville Police, who discussed the laws Police enforce in keeping young riders safe. He was joined by a special officer, Constable Lisa from the local mounted cycle group. Children participated in an enthusiastic question and answer session.

After lunch Stage 1 broke into 3 groups rotating through 3 different activities.

- Mr Goozef discussed the laws designed to keep young riders safe as they begin riding bikes in public spaces. In particular avoiding obstacles on footpaths, and laws applying to wearing helmets.
- Mr Snelling taught about basic bike maintenance, modelling a simple routine to ensure a bike is safe to ride.
- Mrs Beattie created a bike track with real traffic hazards designed to simulate situations young riders encounter when riding on the road.

The day ended with a quiz where students were required to reveal the depth of the knowledge they had attained.
At school we’ve been learning about the human body.
Stage 2 have been doing work sheets and making a skeleton to put on the wall in our classroom.
We had to decorate the skeleton and I made my skeleton a dress and a hat and flipflops.
Some people made super heroes grannies scooper divers scary skeletons and heaps of other cool stuff.
Come into 3/4K 3/4C 3/4G to see the skeleton

By Annie 3/4K

A Big Thankyou!

3/4K have been keeping a big secret from Miss Keir for 4 weeks!!!! On Tuesday morning the class performed a song ‘You to us are everything’, composed by Kathy Poullas (Noah’s mum) for Miss Keir.
It made her cry and was very much appreciated. BIG THANKS!

My fun trip to Bali
My plane was Jetstar and my brother, my mum, my dad and I went to Bali to see my family and my dog, Billy. Firstly, we went to the blue Mountain. It was very nice there with a garden and lots of flowers.
We went to Tunah lot beach and we saw the sun set and ate food that was yummy. We also had milkshakes, fried rice, Fanta and I played with my cousin. We also went to Monkey forest and the big monkeys were unkind and scared all the little monkeys and us and then we went home.

By Alex 3/4G

Corroboree
On the 14th of November some kids were lucky enough to go to Corroboree Sydney. First we had to walk in a parade then we arrived at the park to have some lunch and watched performers dance it was a lot of fun on the day

Tuesday 21 January 3pm - 4pm

Design and create a unique jewellery set, using a range of beautiful glass beads. For 10 - 18 year olds.

The Horse Project - After School Edition

"Horses is the real world. It has been the heart and home for Aboriginal people and in the future it will be the heart of the city. Come and meet some of the fabulous people who live in the city - oldtimers, kids and shop keepers. Develop your interviewing and writing skills with our dedicated volunteers. Write the stories of the heart of the city. We must our next book - Home - to be written by you."

Tuesday, 4 Feb - 1st April 9:30 - 10:30am 
For students grades 4 - 6.

Fiction Ring around the Genres!

Is that a Cormorant? A Wasteyor? Or a Siglognome? In these workshops we’ll be exploring genres (and maybe even mixing a few together) as we search for the best way to tell a fantastic story. Join us if you’re interested in exploring different ways to tell a great story.

Wednesdays, 5th Feb - 2nd April 3:30 - 4.30pm 
For students grades 4 - 6.

 Beware: Reverse Time Capsule!

Can you picture a Sydney of the future? We’ve set ourselves the task of imagining Sydney in 3134 AD, after “researching” the “factual” 300 years back to the present. Can you find stories, fantastic and funny ones, articles from the other, fragments of general speeches, architectural outlines – pretty much anything we might need to know about the people and places of Drury, cos 314.

Thursdays, 6th Feb - 3rd April 3:30 - 4:30pm 
For students grades 4 - 6.

For KIDS 5-12 YEAR OLDS
Phone 9335 2375 or book online three weeks prior to the first activity from Tuesday 17 December onwards
marrickvillelibrary.eventbrite.com.au

There is a maximum of three workshops per child.

OASIS DIOURANA:
St Peters:
Wednesday 8 January 2pm - 3pm

Stammore: 11am - 12pm
