we hope everyone had a great Sunday filled with love & laughter.

A big THANK YOU from the P&C for supporting our fundraising stall!
Marrickville West Mums are The Best!

A huge thanks to all the Mums who helped out with selling the gifts at the Mother’s Day stall last week: Ariyani, Maria, Melanie, Yunita, Rachael, Rachel, Rhonda, Carmen, Daell and Softly. We made $1448.95 gross. Stay tuned for the net profit figures over the next week. ...from the MWPS P&C

From the Assistant Principals’ desk...

May is the month when children in Years 3, 5, 7 and 9 across Australia participate in the National Assessment Program for Literacy and Numeracy. Students are assessed in numeracy, reading, writing, spelling, punctuation and grammar. NAPLAN results are used by the school to shape a curriculum that best meets the learning requirements of students. Results are used to identify the strengths of education programs, to find out what the school is doing well and to build upon successful teaching practices. NAPLAN results are also used to identify areas for school development and help set goals for improvement. NAPLAN has earned a high profile over recent years including a misguided expectation in some quarters that children must achieve outstanding results. Clearly this causes undue stress for children and undermines the purpose of NAPLAN which is not only to show what a student can do well but highlight areas for development. The tests provide a ‘snapshot’ of an individual student’s achievement at a particular time.

It is also important to remember that NAPLAN does not test the full range of the rich ways by which learners show their knowledge, skills and understanding. The tests do however complement the wide range of assessment and reporting tools used by teachers to track and explain learning progress. This, for example, includes the Parent/teacher interviews scheduled for later this term.

Over the past weeks, Marrickville West has prepared students in Year 3 and 5 by providing example tests. This has enabled students to get a sense of the ‘look and feel’ of the tests and to understand what types of questions are asked. The final thing now to do as NAPLAN arrives is reiterate our school emphasis on children confidently and happily coming to school on test days knowing that doing their best is certainly good enough.

Welcome back to Term 2.

Student Information Forms
Thank you for returning your updated student information forms.

Breakfast
Breakfast is the most important meal of the day. One in 4 children in Australia skip breakfast. At school, a hungry child can’t concentrate, has no energy and complains of tummy aches and feeling sick.

We have noticed more children coming to the office complaining of feeling unwell before our lunch break this could be from being sick but also could be from not having had a breakfast.

Breakfast gives children the energy they need to handle their busy days.

Photo of the Week...
Indonesian Cultural Experience

Marrickville West will be involved in a cultural awareness program run by Marrickville Council and Mr and Mrs Hunt. A group of students from Years 3-6 will work with Mrs Hunt learning Indonesian dances and other cultural activities. A performance will be held at the end of the term where the students will show case what has been learnt.

Here is a little bit of information from Mrs Hunt about Indonesian dance.

Balinese dances have stories about ancient Buddhist and Hindu kingdoms.

Indonesian dance reflects the diversity of culture from ethnic groups that composed the nation of Indonesia. Influences range from neighbouring Asian countries such as India, China, and Middle East to European western styles through colonization.

The dances of Indonesia can be divided into three eras; the Prehistoric Era, the Hindu/Buddhist Era and the Era of Islam, and into two genres; court dance and folk dance.

How much do you LOVE your Mum?

“All that I am, or hope to be, I owe to my angel mother.” Abraham Lincoln

“How much do you love your mum, from here to the moon and back?”

We have surveyed some children in the playground about how much they love their mum.

These are the answers we got:

“So much that words can’t explain”

“I love my mum so much I would travel across the world if she asked.”

“My mother is a walking miracle.”

“My mother is everything to me, she means the world to me”

“I am nothing without her”

“Even though she bosses me around and scolds me I still love her”

“She takes care of me like no one else.”

“My most important friend in life is my mum.”

These are the beautiful answers we got in Marrickville West.

Water report

This is how much water was used from 9am to 4pm on Monday 6th May. Between 3 to 4pm, Mr Michael and Angela hosed down the toilets. Also at 11:25am to 12:15pm notice how much water is used because it is lunch time.

We use a lot of water, up to 25 litres per minute. Please, if you see a tap running, remember to turn it off.

Vietnamese report

Last week we learnt about families and drew our families. After that we wrote our favourite hobbies in Vietnamese in our books. After we finished we played some board games. Our teacher for this term is Ms Kieu.

School sport report

I did gardening for 3 years with Miss Kennedy. This term I am doing school sport.

Last week we played dodge ball and T-ball in Henson. After that we ran around Henson as practice for the cross country. My favourite activity was dodge ball. It was so much fun.

This term, we are learning about community helpers. Stage One have been talking about what they would like to be when they grow up and investigating some roles in the community.

**STAGE 2**

**STAGE 2 page**

Stage Two have been very creative and have designed rabbits with a real Australian flavour. Here are just a few:

**My outlaw bushranger bunny**

---

**By Hailie**

My Ned Kelly bunny has a cardboard body wrapped in foil. I then painted the body with brown paint. The body is his armour which he wore from the top of his knees to the top of his head. The armour on his head only has a narrow slit for his eyes.

Ned Kelly is an Australian icon. So that is why I chose him as my Australian bunny.

**Marrickville West Bunny**

---

**By Harry**

My rabbit is a Marrickville West Primary School rabbit. It was made of wolf skin. My mum and I cut up a school uniform to make it.

---

**My Julia Gillard Rabbit**

---

**By Zara**

My rabbit is inspired by Julia Gillard she is wearing her royal blue suit and matching shoes. I used blue paper for the suit and shoes and I printed a cartoon picture of her off the internet and stuck it on.

**Can you guess the rest?**

---

**iPads at school or not?**

---

I believe in both sides of the argument because iPads are easy to use but children could be playing on apps when you are trying to teach.

On one side, iPads are very easy to use because they are touch screen and you can do a lot on them like play games, do work, get onto the internet and much more.

On the other hand, if you had games on the ipads children could be playing on the games and not paying attention to what you are saying.

Therefore I believe in both sides of the arguments then because iPads are easy to use but children could be playing on apps when you are trying to teach. **By Meg 3/4C**

Maths Problem
Welcome to this newsletter’s maths problem:
On a multiple choice test, Problem 1 has 4 choices and Problem 2 has 3 choices.
Each problem has only one correct answer.
What is the probability of randomly guessing the correct answer to both problems?
I’ll tell you the answer in the next newsletter.

Papua New Guinea
On one of the days I was in PNG (Papua New Guinea) we went on a boat out to some of the islands.
We went to Pig Island and Little Pig Island. On Pig Island we went snorkelling, around the point. After
that we ate lunch on the island. We then went to little Pig Island. I snorkelled and I played on a rope
swing. After all the fun we took the boat back home.

Spanish report
In Spanish we learned about our family tree and how to pronounce our family name in Spanish. We also played a
game where we had pictures of furniture and cards with the Spanish word for each picture. Then when Miss Maria
would call out the Spanish word and we had to point to the picture. We also had to do a test where we had to introduce
ourselves in Spanish.

Science
Science will be related to our HSIE unit about Antarctica. We will use the internet to understand the climate of
Antarctica. We will also be conducting scientific experiments.

PDHPE
For PDHPE we will learn how to be assertive when in a threatening situation.
PE will include weekly sports which will be after lunch on Friday. For those who are going to P.S.S.A please have your
payments finalised by Thursday. We will also be jogging around the perimeter of the school of a morning to increase the
fitness levels of students.

Art
Antarctica is also the inspiration for Art. When we think of Antarctica we think of the colours blue, white and grey. We
learned about aurora which is a light phenomenon that occurs in the skies about Antarctica. There are thousands of
individual colours in an auroral display, but three main colours are green, red and violet.

Tear this out and keep for easy reference!
Last week some students were still not wearing their hats. As you know, there is an award at the end of term for the class with the best record. So far, there were no classes where everyone was wearing a hat.

Office Duties report

Hi, we are the office helpers. In the office we organise notes and help teachers in need. Recently we have been having lots of children in the office which makes it difficult for us office helpers and the staff to concentrate on our work. Please come to the office only if you need something important.

We have many lost and found items in the office. If you have lost anything and don’t know where it is come down to the office after school to see if it is in our lost and found basket.

**Playground Buddies**

Hi everybody, we are the playground buddies. We want to remind you about sun safety tips.

- Wear your school hat everyday
- Remember to wear sun cream on hot sunny days
- Drink plenty of water
- Don’t stay in the sun too long.

**School Captains report**

Welcome back everybody, its Term 2, make sure you work hard and respect the teachers. Be kind because School Reports are coming out this term. Good luck Year 3 and Year 5 for NAPLAN.

**Soccer report**

MWPS vs Lakemba public school

We did not have a good start to the term with our soccer team. The juniors competed with a score of 1-1. The seniors tried our best but lost by 4-0. I hope next week we will win but for now we must try to work on our skills for next time. I would like to say thanks to our soccer coach Mr Goozef for leading us on our previous games.

**Keep Our Children Safe:**

Do not drive into or walk your children through staff carparks.

**Sports Monitors report**

Lots of kids are using the sport equipment, which is great to see. We have balls, ropes, hoops and cricket gear. Sadly, we are still having problems with some students not returning the equipment and some equipment is lost. All students need to make more of an effort to look after the equipment, so please try hard.

**Touch Football report**

In the first week of Touch Football we versed McCallum Hill Public School. Our seniors won by 4 points and the score was 5-1 but the juniors lost by 5 points and their score was 6-1. Better luck next time.

**Ms O’Brien’s dress up collection during Golden Time**

A circus tent was the reward space for the students with the most Dojo points and next week there will be a pop-up fruit and veg shop for Golden Time.

Hello everyone, welcome to Term Two. I hope you had a wonderful holiday. On Friday, the gardeners learnt how to weed and water plants. We were in pairs so we got to take a turn on both. We also picked some plants and went to the staffroom to share our plants. We got to take some plants home. That was wonderful and all the gardeners liked it.

**P&C UPDATE**

**Cafe West**

Great news...every Wednesday will be sushi day! Please place your sushi orders on Tuesday for a fresh delivery on Wednesday.

Yummy homemade (thanks Rachael Ottaway) Chicken & Sweet Corn soup is also available on Wednesdays.

Finally, we are looking for volunteers to help at recess from 2:15pm to 2:40pm on Monday and Thursdays. Please contact Rachael Ottaway, Wendy in the canteen or Stav in the office if you are able to lend a hand.

**OOH Kitchen**

A new kitchen has been installed for our Out of School Hours (OOSH) kids. For the last 5 years, Mina and Lan have been making the kids afternoon tea in the canteen which was funded by Marrickville Council.

After Mina and Lan made the afternoon tea they would also kindly open up the canteen for recess to sell snacks to our kids. Unfortunately we cannot pay Mina and Lan to do this anymore. Generously Mina and Lan have volunteered to help us out on Tuesday, Wednesdays and Fridays.

**Next P&C Meeting**

The next P&C Meeting will be held on Thursday 16 May at 7pm. Everyone is welcome and we encourage you to participate. This week we will be discussing the Election BBQ in September. This will be a great opportunity for us to raise money for our children. We will also be formally voting on the funding submissions.

**Mother's Day Stall**

The Mother's Day Stall was bigger than ever this year thanks to all the hard work from our Marrickville West Mum's... Arlyani, Maria, Melanie, Yunita, Softly, Rachael, Rachel, Rhonda, Thomasin, Sophia, Sara, Joy and Carmen. Many of the gorgeous new gifts on offer were made and donated by some of these talented Mum's. We hope you enjoyed your little gift and would love to hear your feedback.

Please feel free to contact a P&C member or come to the next meeting if you have any ideas or feedback you would like to share.

### Ariyani's Story

Ariyani came to Connect Marrickville when Alex was a little baby. That was in 2005. She had only just arrived in Australia from Bali and she didn’t speak a word of English. She had become sick and ended up in hospital. The Social Worker told her about an Indonesian Women’s Group that was running at Connect Marrickville. When Ariyani arrived at the Indonesian Women’s Group she learned about Friday Playgroup and the English Classes. It was not long before Ariyani and Alex (and then Anthony) were coming to Connect 3 days per week.

One thing that impressed me about Ariyani was the warmth and intelligence of her interactions with Alex, Anthony and other children. As her English gradually improved she undertook TAFE Outreach Classes, first the WOW (Work Opportunities for Women) and later the Playgroup Facilitators Course. Connect was then able to employ Ariyani as a childcare worker. In 2012 she completed a Certificate 2 in Children’s Services at Petersham TAFE through a Multicultural Program and is now completing her Certificate 3 in mainstream TAFE.

She is now back working with us at Friday Playgroup, and is leading group activities.

### Free course in Food Handling

Are you interested in gaining a Certificate in Food Safety Supervision? Food Handling Certificate: It will be a FREE one-day course. It will give you the Certificate you need to run a food stall at a festival and more! Please let us know if you / or your friend need help with interpreting or if you need childcare.

TAFE Outreach and Addison Road Community Centre are working together to run these one day courses. 2 of them will be at Connect Marrickville and will happen over the coming few months. Contact Viv Martin at connectmarrickville@gmail.com or Patricia Kenny at TAFE Outreach at patricia.kenny@det.nsw.edu.au for more information.

### Paid Parental Leave

“Have you or your partner had a baby? Were you able to access any paid time off work to spend time with your child in those important first weeks and months?” Working people and unions fought hard for the right to take time off work when you have a child. We won our first universal Paid Parental Leave scheme in 2011 and Paid Dad and Partner pay in 2012. We are proud of these achievements and the difference they make in working families’ lives. But improvements are still needed.

Tell us your story and experiences by filling out this short online survey about paid parental leave. The Federal Government is currently conducting a Review of the Paid Parental Leave Scheme and we want you to get involved. We will use your stories in a submission to the Federal Government’s Review. The union movement will be talking about the importance of spending time and caring for new babies and telling the Government where the scheme needs improvement.

For many households the reduction in wages they experience on the Paid Parental Leave Scheme is a barrier to taking the leave. We want to see this addressed.

We also know that women retire with much less superannuation paid than men. We want to see this addressed by having superannuation paid during Paid Parental Leave. And we want the time that parents can have with their new child increased. So we can include your thoughts, please take the time to complete the survey or send us an email. More information on the Paid Parental Leave scheme and the Review can be found at www.facsia.gov.au/ppreview

I hope you can join us in improving the lives of working families. ”

Thanks, Emma Maiden  
Deputy Assistant, Secretary Unions NSW
