Steph tells kids to be sun smart for life

Year 5 and 6 students met 3 time Olympic gold medallist, Stephanie Rice, when she visited Marrickville West on the last day of school term in 2013. Stephanie visited the school as a guest of Cancer Council Australia, to launch Cancer Council’s sunshades for secondary schools grant program. The program is funded by a $1 million partnership with eftpos to encourage high schools to provide more shade to protect students from harmful UV rays.

Prof. Ian Olver, Cancer Council CEO and Bruce Mansfield, eftpos CEO spoke to the senior students about the importance of continuing to protect themselves from the sun when they move into high school, to reduce their risk of skin cancer in later life.

Rain, Mary, Teagan and Jesse were among the students to meet Stephanie Rice and had their photo taken for an article in the Daily Telegraph. Stephanie said “I spent so much time outdoors as a kid training for five hours a day and thankfully, I was always sun smart.” MWPS students spoke about the consequences of being in the sun. Jesse said “A lot of schools like ours have a ‘no hat no play’ rule, which is a good idea.”

Thanks to Mrs Criniti and Mr Moran who helped organise the visit.
Stage 3 has had a very good start to the year. Here are some happy faces.

After watching a short animated clip this is the story Sofia came up with...

Much Better Now

The man who occupied the office had left. His plane had departed five weeks ago. He hadn’t remembered his book and he hadn’t remembered his bookmark. Outside the wind howled, but inside the bookmark drooped. He could hear tapping as the wind fought to get in. He felt the book tipping when the window gave way and he was thrust out. He lay on the desk for a few seconds before an incredible surge of willpower forced him forward.

He tumbled and turned and landed... upright. He had legs! Testily he tried a couple of steps. It worked! He ran towards the book, unfortunately loosing his balance again, and landing this time with arms! Thrilled, he slid towards the book, jumping at just the right moment. As he collided with the page it became an ocean. A small surfboard drifted in his direction.

Once on the surfboard he started to paddle towards a page blown by the wind. Fear engulfed the bookmark as he was tossed around by the waves and finally thrown out. Still, he went back in.

Again and again he tried, and when the wind paused he saw the office in a new way. He was so peaceful like that as if time had slowed down just for him. He knew, when the wind picked up again that he was ready. This time he was perfect.

The book began to close. Panic gripped the bookmark. No, he didn’t want to be trapped again in that book. He surfed out of the closing book, only just making it to safety.

What would he do now? He ran to where the book lay shut. He was much too weak to open it. He tried to get on top of it, in order to open it from above but it was too high. After three attempts he did it, unfortunately falling off. As he fell something caught his eye. He turned to greet a welcome sight. He knew that as long as the office remained full of books there would be many more adventures awaiting him. By Sofia 5/6C
There are many ways to get involved and help at Marrickville West. Here are a just a few:

- We are looking for someone to take responsibility for the halal preparation of one of our barbeques.
- Are there are locksmiths out there? We’d love to hear from you.
- Some sub-committees established in 2014 are: Music, Environment and Sustainability, Garden and Mothers Day Stall. If you are interested in joining one of these or have ideas you’d like to share, please let us know.
- The canteen and Café West are able to run thanks to our Canteen Manager, Wendy, and a team of volunteers. If you would like to help with coffee or recess once a week, come to the canteen – we’d love to have you on board.

- This Sunday 23rd February we are having a cook-up at the school canteen.
  We’ll be making a very large quantity of spaghetti bolognaise and boxing it up for Tuesday lunch orders.
  We’ll start at 10am – and with a team of 8 it should only take a couple of hours.
  Want to join us? We’d love to have your company and your pair of hands!
  Just let me know so I know how many people we have.
  Kids can play while we cook.
  If you know of someone else who may like to come, please let them and myself know. Thanks, Thomasin

Please come and talk to one us at school or email: marrickvillewestpublicschool@pandcaffiliate.org.au

Welcome BBQ

Bring your family and have some free BBQ sausages and cold drinks. It’s a great chance to meet other Marrickville West families or catch up with old friends. Bring a picnic rug or chairs if you wish, and some nibbles for before dinner. *We’ll be in the Hall if it is mean enough to rain on our welcoming event!*

IN HENSON PLAYGROUND

5pm Friday 7 Feb
Marrickville West will be hosting a ThinkUKnow presentation and all parents, carers and community members are encouraged to attend. This presentation will cover topics such as how young people are using technology to have fun, online grooming, cyber-bullying, inappropriate content and e-security.

ThinkUKnow is an internet safety initiative which aims to raise awareness of the issues which young people face online and whilst using mobile phones. It is a partnership between the Australian Federal Police (AFP) and Microsoft Australia, and is now proudly supported by ninemsn and Datacom.

This is a fantastic opportunity for you to learn more about how young people have fun online, how you can help them to stay in control on the net, and how to report a problem.

**When:** Friday 7th March  
**Where:** School Library  
**Time:** 9:30am (Childcare available)

For more information, you can visit the ThinkUKnow Australia website at [www.thinkuknow.org.au](http://www.thinkuknow.org.au) or contact marrickvillenorthpublicschool@pandcaffiliate.org.au
What is Holiday Club?

Holiday Club was started by a Marrickville West parent of 3, in 2005. Joanne said she hadn’t been on a holiday for a very long time – so what if you could just pretend you were on holiday for an hour a week? So Holiday Club began in the Community Room at Connect Marrickville on the last hour before school finished on Friday. It became a place where parents could relax and hang out together. In the beginning there was a raffle prize, and at the end of the session, the raffle was drawn, for something pre-loved, that someone donated.

Joanne handed the reigns to other parents in the school and it has become many things over the years. Sometimes it became Bazarri Market, sometimes cheese tasting, sometimes simply coffee and snacks. And in 2013 it turned into Cooking Demonstrations.

You can see what went on from the photos. Children who know their parents will be at Holiday Club rush in after school and finish all the left-overs, or the nice things that some parents have made especially for children.

Holiday Club is whatever parents make it. At the end of last year we discussed the idea of parents teaching parents their skills. For example if someone knows how to do good hand massages, then a session is set aside for that. If someone knows how to do embroidery, then they can teach that. It could be dancing, potting, worm-farming, simply whatever. All it needs are drivers.

We Welcome ALL Parents and especially 2014 Kindy Parents to Holiday Club.

Fridays 2.30 – 3.30 in the Community Centre.
MWPS welcomes Ms Mulligan

Joanne Mulligan is the new Assistant Principal taking the place of Ms Want who left last year. She is currently teaching 3/4M and is also in charge of learning support - making sure all students have a safe and positive learning environment to achieve their best. In this role she'll be working closely with the school counsellor, Mr Burman who is our Learning and Support Teacher and the SLSO’s (teacher’s aides).

Ms Mulligan worked for many years at a support service for families of people with disabilities. In 2006 she went back to University to train as a primary school teacher. Over the last few years she has worked in Parramatta, the Cook Islands and at Burwood.

She loves teaching reading and writing and wants her classroom to be full of kids who love to read. She is a cricket fan and enjoys many other sports including rugby league. She grew up in small rural NSW town called Eugowra which has a population of 500 people. It is famous for a stagecoach robbery in 1862 by a bushranger called Ben Hall. She currently lives locally and likes to take advantage of the cultural activities the inner west has to offer.

If you see Ms Mulligan in the playground please say hi and welcome her to our school!

Become A Volunteer Host Family

Make Your Place Their Second Home
World Education Program (WEP) is inviting Australian families to experience another culture within their own homes by becoming volunteer host families. Choose a student from Italy, Belgium, France, Switzerland, The Netherlands or South America and get a glimpse into the life of another culture without having to leave the comfort of your home! Our exchange students are just as excited about sharing their own culture and life experiences as they are about becoming a member of an Australian family.

Arriving in July:
Pietro (17) from Italy is sporty, representing his region in tennis. He is a member of the scouts and plays the guitar and drums.
Cecile (15) from France is a keen dancer, in both classical and jazz. She is also an excellent skier and enjoys the smaller, non-materialistic things in life.

+ MANY MORE

Find out more!
Getting to know your student before he or she arrives brings fun and joy to everyone involved. Take the next step and contact WEP today to receive a full information pack for your family, including student profiles.

ETHICS CLASSES AT MARRICKVILLE WEST PUBLIC SCHOOL

Dear parents and carers,

Ethics classes are now available in NSW public primary schools as an option for children who do not attend Special Religious Education (SRE) / Scripture.

The NSW government has authorised Primary Ethics, a not-for-profit organisation, to design curriculum and provide school communities with training and support to establish and maintain classes in their schools.

Classes are inquiry based and children use dialogue and discussion to learn how to think about ethical matters through the give-and-take of reasoned argument.

At this stage, curriculum is available for Years 1, 2, 3, 4, 5 & 6 students. Classes for kindergarten will be available from mid 2014.

We currently have ethics classes at Marrickville West and are assessing demand for 2014. Please let me know if you are interested in choosing Ethics for your child by returning the slip below by as soon as possible.

For more information about ethics classes and Primary Ethics and how you can volunteer, please visit www.primaryethics.com.au or email any questions to our school’s Ethics Coordinator, melinda.giveen@hotmail.com
