School Campout!

We acknowledge the original owners of this land, the Cadigal People of the Eora Nation and their elders past and present.
From the Principals’ desk...

Work as one is our school motto. I am proud to say it is also the way our school staff, students and community generally approach life at Marrickville West. We are in the business of educating our students in core curriculum, but we are also responsible for creating childhood memories, enhancing self-esteem, building an even better school and (hopefully) modelling the actions and attitudes that will help our children grow to be positive problem solvers and responsible young adults.

Events such as the recent Community Dinner and Campout achieved many of these goals, as did the Election Day fundraising event, our response to the “Do it For Jack” campaign, our membership to the Safe Schools Coalition, another successful Enrichment Program and a better-than-ever Easter Raffle. Our inclusive, community-minded philosophy is demonstrated every day by the children who hand in lost money and valuables to be returned to their rightful owners and who care for others in need of time, understanding or support. Our best has also been exemplified recently by the response to some very special, personal celebrations and the concern shown for teachers and members of wider school community who have suffered illness or personal misfortune.

It is easy to celebrate the great days and the fabulous results but in the end, the strength of a community is measured by the way in which it responds when there is a need for teamwork, empathy, action or effort. We will not always get it right the first time. It will not always be easy. There will always be times we need to compromise, sacrifice or accept a contrary view. So long as we continue to appreciate the fact that our differences ultimately contribute to our strength, Marrickville West will continue to be a place for all children and their families to learn, grow and celebrate.

Well done Marrickville West! We are a community to be proud of and one that makes a difference for many, every day. I wish us all a safe and happy autumn holiday. Best wishes to those families who celebrate Easter. Remember, Term 2 begins for students on Tuesday, 21 April.

Allergies:

Food allergies are a serious issue for those families affected and one we all need to consider in our efforts to keep children safe at school.

Nine foods cause 90% of food allergic reactions. These foods are: cow’s milk, eggs, peanuts, tree nuts, sesame seeds, soy, fish, shellfish and wheat. Peanuts are one of the most common food allergens in children and adults.

We do not advertise our school as being a “nut-free zone” as research shows this can lead to complacency and serious incidents when people fail to follow the policy. We do avoid selling foods containing nuts through the canteen. We also discourage children from bringing nuts (or foods containing nuts) to school, and from sharing ANY food with friends.

It is important to understand that food allergies are not confined to nuts. Biscuits, sauces, cakes, crisps, even bread can cause an allergic reaction in some children.

Please take the time to talk to your child about the importance of not sharing food with others at school. Where possible avoid sending peanuts or peanut based products to school (including school lunches and birthday cakes)

If your child suffers from an allergy, ensure you provide the school with an Allergy and/or Anaphylaxis plan from your doctor. Remember this plan needs to be updated at least once per year or as the condition changes. It is also important to note the allergy in the Health / Medication section of any school permission form you sign on their behalf.

Children with allergies should be made aware of foods they can eat and know to avoid foods which might cause a reaction.

See your child’s teacher or contact the office if you need further information.

From The Office

Invoicing
Invoices will be sent home early next term. This will give more opportunity to settle accounts before they become unmanageable. All outstanding amounts from last year will be carried forward to this year.

Contact Details
Forms for updated parent and emergency contact details will also be sent home early next term. This allows parents and guardians to check the current information that we have and update any that have changed.

Medicine
Any medicine that needs to be taken at school has to come down to the office. A form has to be filled in by the parent or guardian before we can administer any medication.

School Captain’s Report
It is the school Captain’s job to look after the students, set a good example, and to watch over EVERYTHING! Over the last few weeks we have had many exciting excursions and visits from AWESOME people, such as…
Young Leaders’ Day
Some Year 6 Students have competed in the Selective High School Test
The Sydney Swans came to visit us, and we also got to meet AFL superstar Adam Goodes!
Open Australia’s Cinderella
The Zone Swimming Carnival
That’s about it for this week’s School Captain Report.
Keep up the good work Marrickville West…

National Young Leaders Day 2015
On the 23rd of March six selected students attended the National Young Leaders Day in the city.

Mrs Roberts was our chaperone for the day. We arrived at school at 8am to catch the light rail in to Haymarket. We trudged up to the Dulwich Hill’s light rail station. Our trip to Haymarket was nostalgic, exciting and long.

When we eventually got to the Qantas Credit Union Arena, we were guided to an open door with music blaring out at us. We decided to sit up as high as we could, (that benefitted us when everyone was throwing paper planes) and started listening to Mike Martin, the first speaker.

Mike Martin talked about everything from stories to how children resemble the human zygote, which is a cell that can form in to any other cell. Mr Martin stepped up to be the leader of the Halogen foundation when his brother suddenly died.

At the end of every speaker we had time to write in our provided notebooks. They played “thinking music” and gave us a few minutes to write our Main thought and question for the speaker.

The next speaker was Mike Baird and he talked about how we need to have courage and treat everyone like they’re special to be a good leader. But the main thing that we remembered from his speech was “Don’t mess with Simon the Siamese cat.”

We then had a break, and we all wandered around and collected various paraphlets, promotional items, and some of us bought memorabilia from the Halogen Foundation.

When we returned to our seats, the third speaker came on stage, and received the biggest cheer of the day. The speaker was…Bindi Irwin! Bindi talked about how you have to have passion about what you are leading to be a good leader.

The fourth speaker was Rachel Leahcar, who came third in the first season of The Voice Australia. She talked about turning your weaknesses into your strengths, and if you’re passionate about something, pursue it. She said “Challenges build character.”

We then had another break, and we then, again, assembled in the arena.

The last speakers were paper plane pilots Dylan Parker and James Norton. They inspired and built the planes and story of the film “Paper Planes”. One of the men continued competing in a paper planes comp after he had a brain tumour removed. He persevered. Everybody went haywire when they started throwing paper planes, and the day ended on a high note, with planes soaring through the air.

Mrs Roberts bought us a quick ice cream before we caught the light rail back to Dulwich Hill.

The whole day was a great experience for all of the young leaders.

Tips for Parents:
Facts about fractions
If you’ve forgotten 3/5 of primary school maths and 7/8 of high school maths, what’s left? Ah ha! Kids need help learning how to add fractions too. The only thing left is to print these fact sheets. Find our more: https://www.det.nsw.edu.au/eppcontent/glossary/app/resource/factsheet/4013.pdf

Amazing art
Autumn’s the perfect season to take a trip to a gallery. The popular ArtExpress exhibition connects us to the inner lives and self-expression of high school students. Amazing works are on show throughout NSW. Check out the calendar. Find out more: http://artexpress.artsunit.nsw.edu.au/

Year 6 students moving into Year 7 in 2016
Completed Expression of Interest form should be returned to your primary school no later than Friday 20 March 2015.

MWPS Music News...
A lot has been happening in Music at Marrickville West this term. All students in years 3, 4, 5 & 6 have been offered the opportunity to buy their very own recorder. As students have taken up the offer, Class ensembles have formed and all students are busily engaged on learning how to read music and play together as a group. Many students have also taken the opportunity to join our recorder group and attending rehearsals on Thursday mornings from 9.40 – 10.15am. A lucky group of 15 students will be chosen from this group to perform in the Festival of Instrumental Music at the Sydney Opera House later in the year.

Band rehearsals are well under way every Thursday, at lunch time in the infants area. We have had some surprised students coming in to see what all the noise was about! Over the next few newsletters we will be introducing our band members and their instruments.

Next term, we are looking forward to rehearsals and performances during assemblies. MWPS will also be starting our collaboration with the Australian Theatre for Young People (ATYP) and preparing the script and scores for our big theatrical/musical production later in the year.

There are a lot of musical /creative activities that our students can be involved in at our school. Glee club rehearsals continue to be enjoyed and we are developing a lovely gallery space outside the music classrooms to showcase student involvement in the Arts.

**Local History and Environment Walk**

As part of our environmental studies, Stage 2 & a select number of Stage 3 students went on a local history and environment walk.

We were very fortunate to have some experts from the Greenway Schools Sustainability Program and Observatory Hill Education Centre to guide us along the way. We observed local heritage sites, rain gardens and waterways.

After lunch we learnt about local Aboriginal history and used leaves to make lamandra bracelets and collected objects to help us observe the environment around us and what it is made up of.

We will be learning more about sustainability and our local environment in Term 2.

**Fun with maths and literacy!**

Stage one has been having lots of fun with maths and literacy. 2C learned about length by using metres to measure the results of our paper plane throwing contest. James’ plane flew for seven metres!

We’ve also been investigating using rulers in the classroom.

**Bianca’s Story**

School is the best and I play with my friends at lunch. When the bell rings I go to class and do maths. Then I go home in the afternoon.

**Roman’s weekend**

Each weekend I like to play the Xbox360 with my brother. We have 2 controls but only 1 works and the other one works sometimes. When we have holidays we sometimes sleep and play handball. My brother is good at handball. My dad went to Darwin and he is going to come back in 2 weeks.

**Luna park**

On the weekend I went to Luna park. First we got the tickets and then I went on the Wild Mouse. It was lots of fun. Next I went to Coney Island. To get to Coney Island I had to pass Funny Land.

**Term 1 2015 Band News**

Our very own school band has gotten off to a great start this year! Every Thursday at lunch time you may be hearing our band’s efforts up near the infants’ area.

At the beginning of the Term some curious kindergarten students came in to check out the new sounds and were surprised to be greeted by Ernie (yr4) and his Tuba!

We have a great array of instruments in the band including trumpets, flutes trombones and a few saxophones. All this has been made possible by the incredible commitment and vision of our P & C and their successful submission for grants which have been used to supply instruments and band tutors for our school.

Band rehearsals are conducted every Thursday at lunch time with our band director Cathy Chan. All band members also attend instrumental lessons in small tutorial groups for their lessons. We are even lucky enough to have some parent helpers come in and help our beginning students in the band! We obviously have a lot of musicians at our school!

Everyone in the band is practicing, learning to look after their instruments and turning up to rehearsals on time. Watch out in assembly for our first Band performance!

For any queries about your child being involved with the band, please contact your child’s class music teacher Stacey Caponas or Laura Caloia, or our P&C Music Committee members Thomasin Litchfield, Stephanie Wilson or Greg Shapley. Contact details can be obtained from the front Office at school.

The National Young Leaders’ Day

On the 23rd of March Nick, Hailie, Adam, Meg and Annie all jumped on a light rail at 8:30am to go to the National Young Leaders’ Day at the Qantas Credit Union Arena in Haymarket. The day was SPECTACULAR!

When we arrived there we walked into the Arena and flashed our purple wristbands at the welcome.

The first speaker of the day was Mike Martin.

Mike Martin spoke about DNA, nuclei and chromosomes and stem cells, and how we could grow up to be the DNA of the human race. He was very motivational!

The next speaker was Mike Baird, the Premier of NSW. He spoke about courage, and what it takes to be a leader. He gave an AWESOME example of courage, it was about his Siamese cat, Simon. His cat Simon is quite a character. Apparently once Simon jumped into a neighbour’s window and took a cooked chicken off the table and took it back to Mike’s place.

Mr Baird also has a small Maltese dog, a small fluffy one. Once one of Mr Baird’s neighbour’s dog, who was HUGE, came onto Mr Baird’s property and was about to attack his poor helpless Maltese dog, when Simon quickly crawled up a tree and pounced onto the dog which was about 10 times bigger that Simon, well Simon one and that dog NEVER came back. Don’t mess with Simon! After Mr Baird had finished his speech we had a recess break, during which Bindi Irwin walked right past us!

When the break had ceased, we walked back to our seats and awaited the speaker, and it was Bindii! Bindi spoke about how her job involves being a BIG leader. She said her life role model was her dad; Steve Irwin, who passed away. She spoke about how animals have helped her become a leader.

The next speaker was Rachael Leahcar Rachael Leahcar spoke about her journey to becoming a star. It was really interesting, because she was 90% legally blind! She has a guide dog called Ella. Her career started with the voice, in which she came third. She has come so far in her pursuit of her dream career.

After that we had a lunch break.

Election Day
Thanks to the many helpers who came to make the Election Day stalls a success. We had over 30 people selling a huge mixture of goods. We also appreciated all the cakes and yummy goodies donated for our cake stall. Preliminary counts say that we have made around $4600.

A big shout out to Melanie Stopic, Thomasin Litchfield, Rebecca Gaylard, Jane Mowll, Cynthia Bacon, Maree O'Malley, Katie Clulow, Susan Griffith and Greg Shapley for the work they put into organising the day.

Thank you to the raffle donors: Adora Fine Chocolates, Athena Cake Shop, Banana Joes Foodworks, Cornersmith, Danas Fine Food Deli & Café, Flowers by Theresa, Soul Spirit.

Communal Dinner and Campout
What a success was our communal dinner two weeks ago! We had a great drumming session before dinner with Soul Drummer, then almost 100 people joined in the smorgasbord dinner and roasted marshmallows on the fire after. We had 40 people stay overnight and although it rained overnight, a great time was had. Many thanks to Sharon Chalmers and Tamesin Elliott who organised the night and a big thanks to the generous anonymous donor from our community who helped pay for the drumming workshop.

Welcome to our new treasurer
A big welcome to Sarina Devi who has taken over the job of Treasurer of the P&C. Special thanks to Tamesin Elliott, our outgoing Treasurer, for her hard work over the last year.

P&C spending in 2015
At our last P&C meeting we voted on what we should spend money on in the next year. The final votes were:
- Technology fund for the school – $4000
- Kitchen Garden Program Setup fund – $2000
- Student Welfare Fund – $2000
- School Picnic Buses – $2000
- Homework Club afternoon teas – $500
- Kids and Dad’s night – $500
- School Song Sign – $250
- Citizenship Awards for the End of Year Assembly – $250
- Starting Big School Bags – $160
- Teacher’s Day breakfast – $100

Welcome to the P&C’s new executive team for 2015. If you have any questions or comments or ideas for the P&C you can find us in the playground. We welcome all suggestions.
What the P&C did in 2014...

- Composed a school song with input from students “Marrickville West is the Best”
- Provided letters and feedback to the school about the substandard grassed area behind the hall, which culminated in this grass area being levelled out.
- Provided parent and community representatives for interview panels for new teachers.
- Gathered information for the school during their planning process for the new School Vision.
- Ran school banking
- Co-ordinated the successful Sculpture by the School day and organised art mentors to work with classes in exciting and creative ways.
- Organised the musical Soiree evening
- Ran a film club
- Ran the school canteen
- Coordinated the successful Sculpture by the School day and organised art mentors to work with classes in exciting and creative ways.

Welcome to the P&C’s new executive team for 2015. If you have any questions or comments or ideas for the P&C you can find us in the playground. We welcome all suggestions.

The “Bringing up great Kids” program uses ideas of mindfulness and reflection to support parents to review and enhance their interaction and connection with their children.

Throughout the program parents of 0-12 year olds will explore:
- The origin of their own parenting style
- Important messages that children communicate to their parents and how they do this
- The importance of building self-esteem in children
- Ways for carers/parents to take care of themselves and to find support when they need it
