Recorder Concert
at the Opera House!
From the Principals’ desk…

Marrickville West is more than a school. We are a community. We accept that we are all different but equally important; we all have something to offer and something to learn from others.

A New Class at Marrickville West
Our school has always had an inclusive enrolment policy. Our students are encouraged to understand, welcome and respect the differences in cultural background, lifestyle, personal preference, previous experience and talent. We work together as one team to welcome and support the development of all members.

Perhaps as a result of this strength, we were approached earlier in the year to consider the possibility of creating a special class at our school for students diagnosed with Autism. We have recently been informed that an Autism class will be added to Marrickville West in 2016. The class will cater for a maximum of 8 students and will attract an additional full time teacher and learning support officer position to our school. At this stage the class is likely to be established in the Computer Room (which will be re-located).

I anticipate the presence of this special class in our school will enhance the professional expertise and opportunities available for all children at Marrickville West, as well as provide a supportive and inclusive setting for these students and their families as they join our school community.

Farewell to a Special Teacher, Friend and Colleague
Last week we said goodbye to Ms Kennedy who leaves our school to take her well-earned long-service leave and then retire from teaching at the end of this year.

Ms Kennedy has been a highly respected and greatly admired teacher of English as a Second Language (ESL) at Marrickville West for 15 years and at Dulwich Hill PS for 10 years before that. Her personal love of literature and her experience as an editor enhanced her capacity to support our students to become better writers and her colleagues, better teachers of writing.

Ms Kennedy was farewelled in true Marrickville West style last week. Dozens of students stood up to publically acknowledge her dedication, inspiration, sense of humour and care. Dozens of parents followed in the hour after school.

Staff will celebrate Ms Kennedy’s brilliant career at a special retirement dinner later in the year. Meanwhile, we wish Ms Kennedy the very best for her future adventures and look forward to her visits when she returns from overseas.

Ruth Bradfield-Ling
Principal

From The Office

Lots of things coming up…
Book Week Parade, Daffodil Day/ Bang on a Beanie Day, Wires Visit for yr2, paramedic visit for yr1, Canberra for Stg 3, Drama classes etc
Please remember to label all clothing, and to check the lost property boxes.

Lost Property
Please check the lost Property Boxes for misplaced Jackets, Hats & Lunchboxes. If you have accidently taken home an item that belongs to someone else, please return them promptly.

Notes
Please remember to bring back Excursion/Incursion & Activity Notes signed before the event. It is not always possible for the teachers and office staff to contact parents for permission at the last minute. It would be very unfortunate for your child to miss out.

Calendar Dates

Homework Club
Every Monday & Wednesday

Enrichment Classes
Every Wednesday 2:40pm

Wednesday 26th August
Yr1 Paramedic Visit

Thursday 27th August
Daffodil & Bang on a Beanie Day

Thursday 27th August
Yr2 Wires Visit

Monday 31st August
Intensive Swimming Begins

Wednesday 2nd September
Stg3 Canberra Day Trip

Thursday 3rd September
Father’s Day Stall

Thursday 3rd September
Assembly – Kindy 2:40

Friday 4th September
P&C Meeting – 7pm

Saturday 12th September
Trivia Night

Super Stars

Congratulations!

These students have earned a SCHOOL AWARD for collecting 10 Merit Awards

Kyra Bryn

On Friday Clayton broke a school record. This is what he said, “Today I did 92 skipping jumps.” Mr Burman and Ms Ling are very proud of this achievement.

School website contains news, class overviews for the term, useful information from DEC and a school calendar with links to permission notes. Go to: www.marrickviw-p.schools.nsw.edu.au
Here are eight easy ways to help your kids stay out of trouble in cyberspace:

1. Keep computers out in the open
Your child may think twice about looking at inappropriate websites and won’t be able to chat to their friends all night while you think they are doing their homework.

2. Mind your business
Remind your child to keep information such as their name, address, phone number, school and even your credit card number to themselves. When signing up to a chat room, they should use a screen name that is a nickname and not easy to work out. The same goes for choosing passwords – don’t make them easy to figure out. If your child is going to put photos on the internet, ensure they don’t show them wearing their school uniform – this can be enough to identify your child’s school. Also ensure that any photos are not the type that would attract unwanted attention from strangers.

3. Just because it’s on the internet, it doesn’t mean it’s true
Make sure your child uses multiple sources for research, and is careful not to plagiarise.

4. Stranger danger is online, too
Ensure your child never organises to meet up with any strangers they have met online. If they really want to meet up, encourage them to talk to you about it first and insist on going along with them. Remind your children to also be wary opening emails from strangers. They could contain spam (online junk mail), a virus (which will harm your computer), or be from a stranger looking for trouble.

5. Get a filter
Internet filters can help block inappropriate sites for children. None are completely reliable and it’s best if you talk about what websites are appropriate with your child so they understand and make the right choice on their own.

6. Encourage your child to talk with you about their online experiences – good and bad
This will make it easier for them if they see something inappropriate or are emailed something unsuitable. If they are embarrassed to tell you, persuade them to at least tell a teacher or another trusted adult.

7. Good manners also exist online
Talk about this with your child and it may lead to a decline in bullying behaviour, not to mention the many disagreements that children have with each other.

8. Forever is a long time
A lot of blogs and websites maintain information as part of cyberspace forever. By publishing without thinking of the future, your child’s innocent work online may be something that comes up later on and may negatively impact their career and personal life.

---

**DAFFODIL DAY & BEANIE DAY Mufti Day**

On Thursday the 27th August, Marrickville West P.S. is raised money for Cancer Council's “Daffodil Day” and “Bang on a Beanie” for Brain Injury Awareness Week.

This was a great opportunity to support research into two issues that have directly impacted families in our Marrickville West Community.

We dressed in yellow on the day and wore our favourite beanie. All money raised will go towards research to defeat cancer and support people who have suffered brain injury. There will be prizes for best costumes!

The rest of Australia celebrate Daffodil Day on Friday the 28 August.

Children from MWPS feature in two of the official posters again this year.

---

**GREAT BOOK SWAP**

Don’t forget to start bringing in books for our Great Book Swap. For a gold coin donation you can swap or buy a book and raise money to help Indigenous communities with their literacy programs.

Thank you for your support.

**WHEN:**

Wednesday 2 September

**WHERE:**

Outside the school library

School banking is Wednesday 9-9.20am in the LIBRARY
We Are All Cooks River People Assembly

MWPS held a special “We are all Cooks River People” assembly to showcase all the learning we have been undertaking about our local area.

The Cooks River plays a special role in the lives of all people that live in the Marrickville area. For thousands of years, people have used the waterways for food, transport and leisure. Throughout this Year, all of the students and teachers have been learning about our local environment and in particular – the Cooks River and the importance of it.

Special guests who have helped our learning this year attended our assembly. Peter (Cooks River Alliance), Damon (Marrickville Council), Nick and Ann (Greenway Project), Jasmine (Cooks River Alliance), Jean (Marrickville Council).

MWPS Recorder Group played a beautiful rendition of ‘The Lake’ & ‘Rejoicey’

MWPS would like to thank the community organisations who helped us access all the great excursions & share their knowledge of our local area – Marrickville Council, The Greenway Project, Cooks River Alliance and Observatory Hill Education Centre. We are all Cooks River People!

In Arabic LOTE, Stage 2 and 3 students have been learning about the Arabic language and culture. We have been exploring the difference between language and religion, Arabic speaking countries and different religions within the Arab world. Students have made posters to portray their understanding of Arabic people, language and culture.

by Reem Abousamra

LOTE

news

Stage 2 and 3 Spanish students are learning a lot of Spanish in the computer room with a game projected at the front of the classroom & played by the whole class together in real-time.

Both groups are also practicing reciting a beautiful poem in Spanish for next LOTE assembly...
Kindergarten have been learning all about the farm and how it helps us meet our needs. Kindy have learnt that dairy products come from cows milk and cream.

Last week Miss Morrison’s room turned into a little butter making factory as we made our own butter from cream. All you need is cream, a glass jar and lots of muscles. We enjoyed eating our butter on fairy bread!

We have plenty of new seedlings in the garden ready for the warm weather. Last week we tested the acidity of the soil and found out our garden beds are alkaline. We have made a plan to fix this by adding compost.

We knew the PH level of our soil because of the colour when we mixed it with a special chemical.

Our broad beans are growing flowers and fruit.

Jude 3E, Vietnamese Rice Paper roll extraordinaire!

Indian Flat bread and Hummus Dip!

Pikelets with sugar and fresh lemon from the garden!

Understanding Place Value is hard, but using technology makes learning SO much easier. I can now work out place value of decimals. by Evan 5A

STAGE 2

Students in Years 3 and 4 have started a new unit of work about ‘discussions’. They have been looking at the ways discussions can be held and the need to present a balanced point of view.

This is multimodal unit of work and will involve the students using a variety of technology resources!

STAGE 3

2/BS: Working outside, doing an area lesson (Square metre)

Students were involved in the ‘World’s biggest netball clinic’ setting a new world record of 585 kids!!!!

We got to meet some of the Australian Diamonds players on centre court.

Student’s got a FREE ticket to watch a major game between South Africa and Sri Lanka.

Kids also got to visit the FANfest pavilion where every student got a FREE showbag and received promotions and played games!

Thanks to Mrs Austin and Hilary from Netball NSW for organising our free tickets.

Stage 3 were lucky enough to be invited to the Netball World Cup held at Sydney Olympic Park. Some described it as ‘the best day of their life’.

On Monday Marrickville West P.S Stage 3 went on a day trip to Homebush for the NETBALL WORLD CUP!!!!!!! When we had arrived there were kids everywhere all from different schools. The directors of the clinic are trying to make a world record for the biggest netball clinic in an hour.

They have used ‘post-it’ notes to quickly write key ideas and elaborate upon these in class debates.

Students in 3E have been using short clips from the animated series of Narnia to discuss issues about family, trust and needs versus wants.

Understanding Place Value is hard, but using technology makes learning SO much easier. I can now work out place value of decimals. by Evan 5A
Trivia Night with a Twist of Bollywood
The P&C is organising a night out for parents to come along and show off their general knowledge and lateral thinking. There will be questions to answer, games to play, skills to test and prizes to win. All this with a twist of Bollywood thrown in. Parents are encouraged to join a table of ten (can be 10 people of your own choosing or go on a table with other parents from your child’s year). Dinner will also be provided cooked by some of the wonderful women from Connect and there will also be a licensed bar onsite to buy drinks. All this for only $20 per person and money raised will go towards playground upgrades that the P&C is saving for. Notes will come home shortly to sign up and pay for your tickets. This quiz night is for YOU, parents and friends of Marrickville West so make sure you don’t miss out.

Fathers’ Day stall
If you have good condition second hand gift items suitable for a Dad, don’t forget to drop them off next week (Mon 31st Aug - Wed 2nd) at the school office. If you can help with setting up the stall (Wed 2nd Sep 3:00pm) or on the day (Thu 3rd Sep 9:00-12:00) please let Melanie Stopic know (mstopic@exemail.com.au or 0420 325 324).

Coffee making demonstration
Come along and learn how to make professional quality coffee – We’ll be having a demonstration and tips on how to make great coffee on Friday 11th September at 11:00am from Sharon Chalmers. Sharon has done a professional barista course and ran her own cafe. If you are interested in attending this demonstration let Melanie Stopic know on the details above.

Coffee volunteers
Can you help us out one morning a week with making coffee for the teachers and visitors to our school? Currently we are short staffed for volunteers working the coffee machine in the canteen, with only one volunteer on several mornings a week. We prefer to have two volunteers each morning, so that it is both more fun and social, faster and also if one volunteer is sick another can take over. Recently the coffee machine has not been opening for business on various days as our Mum and Dad volunteers or their kids are sick. If you can help out on Mondays or Thursdays in particular, please let Melanie Stopic know (details above). All training provided, no experience necessary.

Computer donations
Do you have an old computer sitting in your house unused and would like to donate it to the canteen? We are looking for a computer or laptop to do some accounting on in the canteen and also possibly to facilitating online ordering. If you can help, please let Melanie know.

Ethics Classes
We now have thriving classes in Stages 1,2 and 3. There are three Stage 1 (Years 1 and 2) classes which are all full, with no room for new students.

A new kindy class will start in Term 4 but won’t be able to accommodate all those on the waiting list.

We need more teachers!!

Next year the demand for ethics classes will increase again. These classes are only available because parents and friends volunteer their time to teach them. It is a small, rewarding commitment - 1/2 an hour on a Tuesday morning. Without more teachers, we won’t be able to offer a spot to all children who want to be in an ethics class in 2016.

If you are interested in finding out more about becoming an ethics teacher, please contact the Ethics Coordinator Jolanda Waskito know at jolandawaskito@yahoo.com.au.

Music
The P&C music committee are continuing to build to our program. Notes will be coming home soon about an information evening for those interested in joining the band program in Term 4. Classes will be available for students in Year 2 and up in several band instruments. There will also be information coming home soon about a new Marrickville West choir for kids, parents and friends!! Any questions, please email thomasin.litchfield@gmail.com. Our ukulele group and band will perform at the Honour Assembly in Week 10.

Thank Yous
Thank you to our local MP Jo Haylen and her office for their ongoing interest and support of our school. Some students got to ask Jo about her job during a recent photo shoot in our soon-to-be opened nature playground.

Thank you to everyone who helps out in such a number of ways. To Ann Calloway for the recent successful secondhand uniform stall, to Rosemary Rumbel for taking on Treasury reins for a while, to all the canteen helpers at recess and coffee makers such as Mina Cheng, Lan, Ariyani Sulawo, Jo Smith, Nimfa Lacbungan, James Goodman, Menaka Gautam, Shelley Wilson and Melanie Stopic.

NEXT P&C MEETING: Thursday 7pm 3rd Sept
in the Staff Room. All parents are welcome to come along and learn more about the school and give their ideas on how to make it a better place.
You’re invited to participate in the Tell Them From Me (TTFM) Partners in Learning survey designed for parents and carers. This survey complements the TTFM student and teacher surveys, which focus on student engagement, wellbeing and effective teaching practices. All Department of Education schools have the opportunity to participate if they choose.

Why should I participate?
Parents and carers are an important and valued part of the school community. Schools can use survey feedback to make practical improvements and inform school planning.

What does it involve?
This online survey takes about 15 minutes to complete. It is anonymous and voluntary. If you have more than one child at this school, and feel that your children’s experiences differ, you can complete the survey more than once.

How can I participate?
You can access the survey in your own time, between 17 August and 16 October 2015 by following the link sent to families in your Class Parent Email or in the note sent home last week.

More information on the Partners in Learning survey can be found on the NSW Department of Educations’ TTFM website: http://surveys.cese.nsw.gov.au/
