Canteen

From Term 4 the canteen now has a new menu and pricing structure – be sure to check out the Marrickville Munchies menu. It was printed in the last school (green) newsletter of last term, is available on the school website at: http://www.marrickville-p.schools.nsw.edu.au/sws/view/1760483.node or pick up a copy from the canteen.

The most important change to note is that only certain hot foods will be available on each day of the week. This helps us plan for food ordering, reduce wastage and allows Wendy to best organise all the lunches that need to be made.

Sandwiches and rolls can still be ordered on any day. Please ensure your orders are in before the bell goes at 9:20 to help Wendy get all the orders ready in time for lunch.

Another important change is that the snack foods available have been reviewed and some new products introduced. Check out the popcorn, roasted seaweed snack and fruit straps. Various seasonal fruit is available every day with single pieces from 20c or whole fruit from 50c.

And remember as the weather starts to warm we have 99% fruit juice slushies and ice sticks, frozen fruit pieces and apple slinkys available to fuel learning.

The P&C also had an air-conditioner installed in the canteen over the school holidays. With summer on its way we hope this will make life a little more comfortable for Wendy and her helpers in what proved to be a “hot box” last summer. A special thanks also goes to Ms Anne for giving up a day of her school holidays to oversee the installing!

P&C UPONING EVENTS

School Banking - every Friday from 9:00-9:20am in the Library

Holiday Club - every Friday from 2:30-3:30pm in the Connect Marrickville Community Room

Before School Care
As you’ve probably already heard Marrickville Council voted to expand our Out of School Hours Child Care facility to add Before School Care to the already existing After School Care. This is a great win for our school and was the result of the whole school community getting behind the P&C’s petition.

Rachael Ottaway, one of our Vice Presidents organised the petition and also spoke at the Council Meeting on our behalf. Her dedication to this project has paid off - thanks Rachael!!

The service will be available from 30 January 2012, from 7.00am to 9.00am every morning during school terms.

If you wish to enrol your child then contact Council on 9335 2008 or - coosh1@marrickville.nsw.gov.au
